The Lord's Prayer – Also Called Our Father Prayer

301 SHARES
In the Gospel of Matthew, Jesus gives us a perfect way to pray to God the Father. The Catholic denomination calls this “**The Our Father Prayer**,” and many of the other denominations call it “**The Lord's Prayer**.”

By the wording that Jesus has given to us in this prayer, there are 7 key pieces of revelation contained in it. And not only are there 7 key pieces of revelation, but each one of these key pieces of revelation should be revelation that we always keep front and center in our walk with the Lord.

Because of the turmoil and turbulence that can hit all of us in this life, it is very easy to sometimes get knocked off track in our walk with the Lord. So this prayer is a very good one to keep in your memory banks, as these 7 key pieces of revelation will help keep you properly centered and grounded in your walk with the Lord as you journey through this life.

Here is the Lord's Prayer from the Gospel of Matthew. I am also going to include what Jesus says right before He gives us this special prayer, and then what He says right after it, as the last part has to do with one of the key pieces of revelation in the actual prayer itself.

the hypocrites. For they love to sit in the corners of the streets, that they may be seen of men; and when you have shut your door, they have their reward.

...and when you have shut your door, they have their reward; and your Father who is in heaven will reward you.

...as the heathen do. For they

In this manner, therefore, pray:

**Our Father in heaven,
hallowed be Your name.**

Your kingdom come.

Your will be done

On earth as it is in heaven.

Give us this day our daily bread.

And forgive us our [debts](#),

As we forgive our [debtors](#).

And do not lead us into temptation,

But deliver us from the evil one.

For Yours is the kingdom and the power and the glory forever.

Amen

**For if you forgive men their trespasses, your heavenly Father will also
forgive you. But if you do not forgive men their trespasses, neither will your
Father forgive your trespasses.” (Matthew 6:5-15)**

Again, there are 7 key pieces of revelation in this perfect model prayer for all of us to really take a hold of. These 7 key pieces of revelation will also [serve](#) as a **constant reminder** for all of us to **never forget** these 7 special things that we already do have with God the Father as a result of being born again through the shed blood of His Son Jesus.

Here are the 7 key pieces of revelation in a numbered, bolded format so you can have all of them right at the top of this article.

- ✚ Direct your prayers to God the Father**
- ✚ Remember that God’s Kingdom will eventually be coming down to this earth**
- ✚ Remember to stay in the perfect will of God for your life**
- ✚ Ask God to keep you supplied with the daily bread you will need in this life**
- ✚ Forgive all those who will trespass against you**
- ✚ Ask God to help keep you out of temptation and deliver you from evil if you do fall into it**

Remember that God's Kingdom, Power, and Glory will be the only One that will last forever

Now here is a breakdown of these 7 key pieces of revelation from this most profound prayer that we have received direct from Jesus Himself. I will break it all down under the following captions so you can easily see what we have available to us with this kind of special prayer from the Lord.

1. Our Father in Heaven

301

The very first thing to notice from this prayer is who we should be directing all of our prayers

Jesus tells us to direct this prayer direct to God the Father – not to Him, the Holy

of His angels, or to any of the dead saints who are now living up in heaven.

we have another article in our site just on this first piece of revelation. It is in the

Prayer Secrets section of our site and the title of this article is, ["Prayer Secret #13 – Pray to](#)

[Father in the Name of Jesus Christ."](#)

As we have explained in that article, we believe that all of our main prayers should be directed to God the Father. We can talk with, fellowship with, and worship and praise both Jesus and the Holy Spirit.

But when Jesus tells us to specifically direct our prayers to God the Father in this verse, then I feel we should abide by what He is telling us to do.

Both Jesus and the Holy Spirit always pray to God the Father. And if They are both praying direct to God the Father, then we should all do the exact same thing in our personal prayer lives with the Lord. Again, we have more commentary on this revelation in the above article.

2. Your Kingdom Come

The next thing to pick up from this model prayer is the words, **"Your Kingdom come."**

The Kingdom Jesus is referring to is His Father's Kingdom up in heaven. As we have explained to you in all of the articles in our End Times Section, the final two chapters in our eternal destinies with the Lord is that first Jesus Himself will be coming back down to our

earth to establish a 1000 year Millennium Kingdom from which He will rule this entire earth from the city of Jerusalem in Israel.

After this 1000 year millennial reign has ended, then God the Father will be bringing down both Himself and the new city of Jerusalem to our earth from His heaven, where He and Jesus will then be ruling this entire earth under what is called the New Heaven and New Earth. Again, all of this is fully explained to you in the articles in our End Times Section.

So when everything is all finally said and done, God's eternal kingdom will eventually be coming down to our earth where we will all live happily ever after with God, Jesus, the Holy Spirit, all of God's good angels, and all of the saved and born again in the Lord.

Therefore above words, **"Your kingdom come,"** should always be a constant reminder to all of us that eventually all of the demons and bad and unsaved people will eventually be taken out of this world – and God's kingdom will then be literally coming down to our earth so we will have perfect peace and a perfect environment in which to live in with both God, Jesus, and all of our saved ones forever and ever.

In this crazy and tumultuous world we all now live in, this one powerful phrase alone should keep us focused on the real big picture.

Even though how bad things may get in your life from time to time, just remember that eventually all of the sadness and heartache that we all experience in this life will be completely taken out of this life for good once God and Jesus come down and take full and complete control of everything.

There will be no more death, sickness, disease, heartache, sadness, crying, wars, crimes, and aging ever again once God and Jesus come down to rule our entire earth from the city of Jerusalem.

We will all live happily ever after in a way and in an environment that God had initially intended for all of us to live in. So keep these three powerful words in this phrase in your memory banks so you never, ever forget what our final and glorious end will eventually be with the Lord.

This powerful, key piece of revelation from this perfect prayer will also help get you through some of the tougher trials and tribulations you will have to face in this life.

Again, if you would like more information on these two coming reigns with both God and Jesus, go to our articles titled, "The 1000 Year Millennium Kingdom" and "The New Heaven and New Earth."

In both of these articles, we give you all of the main verses from the Bible showing you what will happen once God and Jesus come down to our earth and take full and complete control of everything from the city of Jerusalem.

3. Your Will Be Done – On Earth as it is in Heaven

In this next statement, Jesus is specifically pointing out that God the Father's will is going to be done both in heaven and down here on this earth. If God has already foretold of these two coming reigns with both Himself and His Son Jesus, then it is eventually going to happen, and no man and no demon will ever be able to stop it from occurring.

301

This thus should give all of us **great peace** and **great faith** that we can totally count on our Lord to eventually clean up this earth with all of the demons and bad and evil people who being allowed to some extent to wreak as much havoc and evil as they can before eventually taken out of the big picture by the Lord.

One thing to pick up from this phrase is that God also wants all of His perfect will to be done down here on this earth in all of our individual lives.

As we explained to you in our article titled, "The Full Surrender," God wants to be in and total control of your entire life. The Bible tells us to be led by God through the Holy Spirit in this life, not by ourselves or by the other people who are in our lives.

So again, when you recite this kind of special prayer to the Lord, this phrase of God's will being done both in heaven and on earth should be a **constant reminder** to all of us that not only is God's will being done in heaven, but it is also being done down here on this earth and in our personal lives if we have committed to making a full and complete surrender of our entire lives over to Him.

For more information on this full surrender that God is looking for from each one of us, go to our article titled, "The Full Surrender," in the Bible Basics section of our site. In this article, we give you all of the main verses from the Bible showing that God is the only One who should be guiding us as we journey through this life, not us or anyone else who is in our lives.

4. Give Us This Day Our Daily Bread

The next phrase in this prayer is asking God to give all of us our **daily bread**. When Jesus is telling us to include this kind of special request in this prayer, I believe it is all inclusive.

When you are asking God for your daily bread, I believe you are asking God to give you everything you will need to properly live and work for Him in this life. Again, all of this is fully explained to you in our article titled, "The Full Surrender."

In this daily bread we will be receiving from the Lord will be all of the money, food, equipment, supplies, shelter, people, and favor we will need in this life so we can fully accomplish everything that the Lord will want for us to do for Him on a daily basis.

Again, by reciting this kind of phrase back to the Lord from time to time, you are being given a **constant reminder** that God is the only One who is our provider and support in this life, not ourselves, the other people in our lives, or the world in general.

It is God's job to keep you properly supported in this life as you walk out the divine destiny that He has set up for your life. And this powerful phrase is a real, good, constant reminder of our daily support is really coming from in this life.

Forgive Us Our Debts as We Forgive Our Debtors

phrase that Jesus is giving us is a real major piece of revelation that we all have to properly worked into our walk with Him. If we do not, it could get us into major trouble

Notice Jesus is telling us to ask God to forgive all of our debts as we are willing to forgive all of our debtors. I believe this verse is connecting with the last two statements that Jesus has made in this verse where He is telling us that we have to forgive all of those who have trespassed against us – and if we do not, then God is not going to be willing to forgive any of our trespasses made directly against Him.

When Jesus makes this kind of dramatic statement right at the end of this entire verse, you know it is something that we should all take very, very seriously.

Not having God to want to forgive all of your trespasses against Him is not a place you ever want to be at in your own personal walk with Him.

God is simply asking all of us to be willing to forgive all of the people who will ever trespass against us in this life and if we do, then He will be willing to forgive all of our sins that we will ever commit directly against Him.

Here is another verse saying the exact same thing:

“And whenever you stand praying, if you have anything against anyone, forgive him, that your Father in heaven may also forgive you your trespasses. But if you do not forgive, neither will your Father in heaven forgive your trespasses.” (Mark 11:25)

Also notice this verse starts out with the words of **“And whenever you stand praying ...”**

The implication seems to be that if we are not willing to forgive those who trespass against us in this life, not only will God not forgive us of our own trespasses, but He also may not be willing to hear any of our personal prayers to Him if we are in direct violation of this command.

301

And if you cannot get any of your personal prayers heard and answered by the Lord, then

the divine destiny could get completely shut down until you can get this properly taken care of with the Lord.

Again, this powerful command is a very good reminder for all of us to always be willing to

of those who will ever trespass against in this life so we do not ever get ourselves

into major trouble with the Lord – both in our own personal prayer life with Him, and in the

in areas where He will be forgiving us under the shed blood of His Son Jesus.

6. Do Not Lead Us Into Temptation – But Deliver Us From the Evil One

As we have explained to you in all of the articles in our Spiritual Warfare Section of our site, until Jesus comes back to set up His Millennium Kingdom, we are all going to have to put up with a certain amount of evil from both demons and bad and evil people in this life.

But as we have also showed you in these types of articles, God will also be fighting many of these kinds of personal battles for you if you are walking in a true, full surrender with Him..

So when you recite the phrase, **“deliver us from the evil one,”** this will really help serve as **constant reminder** to all of us that we really do have God on our side and He can move to help us out if we ever have to face and engage with any type of evil in this life. God is still in the deliverance business, and He will help out anyone who will pray and cry out for Him to move on their behalf.

The first part of this phrase, **“do not lead us into temptation,”** is also another very good one for all of us to keep in our memory banks, as so many people draw major misfortune

and tragedy into their lives as a result of falling into the different kinds of bad temptations in this life.

By putting this kind of special request before the Lord from time to time, this will really help you in being able to pick up any leadings and convictions from the Holy Spirit if you ever start to tread into a sin area that God does not want you to be treading into.

7. For Yours is the Kingdom and the Power and the Glory Forever

Jesus then ends this perfect, special prayer with the words, **“For Yours is the kingdom and the power and the glory forever.”** This phrase is without question the perfect way to perfect prayer.

Jesus is using the word, **“Yours,”** He is talking direct about His Father in heaven. And then when He completes this statement by saying that God’s kingdom, power, and glory are the one that will be lasting forever, once again this is a huge reminder to all of us not to get too caught up with the kingdoms and governments that are ruling this world.

Everything is all finally said and done, all of these earthly kingdoms and governments will eventually be taken completely out of the big picture – and the only kingdom that will be left standing for all of eternity will be God’s kingdom, not any of the earthly kingdoms humans have built up down here on this earth.

Again, this is big picture type of revelation, and something that we should always keep in our minds so we do not ever forget who is really in control of all things.

Though we are going to come into some really tough and trying times in the years ahead, God will eventually be righting all of the wrongs ever done by all of the bad and evil people of this world.

And from there, all of the false religions and demonic governments that have been set up on this earth to rule and enslave people will all be taken out of this world for good, and we will never have to face that kind of evil tyranny ever again – for all of eternity!

So if by chance you are going through some real tough times right now, just remember how it will all end up.

Evil will eventually be totally defeated by Jesus, and all of those who are walking in it will be forever taken out of this world for good so we can all have perfect peace, harmony, and unity with one another and with our Lord and Savior.

Bottom line – God’s kingdom, power, and glory will reign forever and we will all be a part of it. So do not ever forget this as you continue to journey through this life and have to take on some of the tougher trials and tribulations of this life from time to time.

301

Conclusion

As you can see from the above breakdown, the Lord’s Prayer is a very powerful and profound prayer with loads of major revelation in it that has major application for each one of us.

Many of us have this prayer perfectly memorized as a result of hearing it so many times in the homes we were raised up in. However, as a result of having this prayer perfectly memorized, we sometimes forget how much major revelation is really contained in it since the prayer is so easy to do on a rote basis.

But this prayer really needs to be meditated and chewed on from time to time so we do not ever forget the 7 key pieces of revelation that is in it.

Each one of these key pieces of revelation is something that we all need in our daily walk with the Lord. These seven major revelations will also help keep us properly centered and grounded in our walk with the Lord as we take on some of the tougher trials in this life.

I want to point out my understanding of what the Lord’s Prayer is saying in the 4th line of this prayer. In Luke 17:20-21 it says, 20 Once, having been asked by the Pharisees
301 when the kingdom of God would come, Jesus replied, The kingdom of God does not
with your careful observation, nor will people say, Here it is, or There it is, because
the kingdom of God is within you.

being said, does, on earth as it is in heaven, mean that those who have asked
to their hearts, have the kingdom already, considering what Jesus said in the
above verse? Im asking the Holy Spirit to lead me into truth concerning this thought.

Bob E - May 4, 2016 at 1:11 pm

For Debra: (October 5, 2014 at 3:58pm)

The Kingdom of God is like the marriage between Christ and His Church (Eph. 5:25-33). It is a joining between God and His people through the Holy Spirit.

When people invite Jesus Christ into their hearts as Lord and Savior, He by the Holy Spirit brings the Kingdom (rule of God) into their hearts. As Jesus said in (John 3:7-8) to Nicodemus, “the wind bloweth where it listeth...but [you] canst not tell whence it cometh and whither it goeth...”. In the end, there will be a literal place where God rules from (New Jerusalem) which comes down from the New heaven to the New (renovated by fire) planet earth. God rules and will rule the entire universe from here according to (Rev. 21:1-5). Hope this helps!

Having memorized The Lord’s Prayer all my life, at one stage in my adult life, as I started analyzing what I was saying I realized that I was not being honest as I recited certain

phrases in The Prayer. For instance, “as we forgive them that trespass against us”. I since changed that to say, “help us forgive those that trespass against us”. My conscience has never been completely clear whether this is wrong or right. One mind tells me I am concocting The Lord’s Prayer while the other says I am expressing my true feelings about my limitation to forgive others. Can you please help me in this debate with my conscience!

God is so awesome. He loves a true heart. It comes with maturity growth in the Spirit, the revelation will come. Once you realize He forgave you. You will congregate in harmony with those whom also have been where you are from “help us forgive” to “as [redacted] forgive.”

[redacted] with most of what u perceived from this scripture aka prayer. What I slightly disagree with you on is Jesus coming back and living and his saints living on this earth for my God tells me in his word that he is gonna create a new heaven and a new earth with streets paved with gold that has twelve gates and the dead in Christ well rose first and we will meet him in the air. But nice teachings keep doing the work of the Lord and God bless ps..he also says he has prepared a place for us and I personally don’t even wanna see this same earth that till me through so much lol

In Revelations chapter 22 it says not to add or take from the prophecy of this book.

All scripture is by inspiration of God, God breathed, profitable for reproof, correction and instruction in righteousness so the man of God may be thoroughly equipped for every good work. 2 Timothy 3:16

Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity. Colossians 3:13-14

301 My Sunday School lesson this week is on the Lord's Prayer. I memorized this prayer many years ago as a child. I kind of put it on the back burner but this lesson is teaching prayer is the greatest prayer of all prayers! It is from Jesus Himself telling us how to pray. I have been so self-centered with my prayers putting myself first instead of God er. I am re-memorizing it and am going to keep it in my heart praying it numerous times during the day exalting God and then telling Him of my wants and needs. I still ways end my prayer in Jesus name as it is all about Him!

I think the give us our daily bread, really is more about spiritual learning and understanding from the holy spirit than it is about money or housing. The apostles went out without anything and were persecuted. As was Jesus himself. No , I think it is more about solid focus and faith even when things are really bad.

I want to correct you because you miss understand what is the pasaage say's. We dont need to memorized this prayers because it is an example how we pray directly to God the Father.

Jesus Christ teach this kind of prayer to His disciple. We can't see in the text that Jesus Christ says memorized it to His disciple. Very clearly in the passage.no mention of memorized. It is a pattern how we pray correctly. God bless you.!!
